With you all the way from development to management

A 360° approach to your real estate

Al Thuriah was established in April 1996 and over the years evolved from being a contracting firm to a growing integrated real estate family in Sharjah, developing and building the finest, high-quality residential and commercial spaces ranging from villas to high-rise towers.

To date, Al Thuriah is one of the top-ranking real estate companies in Sharjah - a position boosted by the fact that it is offering a full spectrum of real estate services thru its five divisions: Properties, Construction, Interiors, Leasing and Facilities Management.

PROPERTIES

We operate like a family that cares for its members. Thereby, we make sure that every detail of your new home is carefully planned and designed.

CONSTRUCTION

We value state-of-the-art technologies on behalf of efficiency. The sheer dedication and commitment that goes into every single project ensures that we deliver on time.

INTERIORS

We consistently aim to achieve the goal of giving our Clients the feeling of warmth, coziness and home in all our projects. Our design approach is to create an appearance that is multi-faceted, aesthetically attractive and functional at the same time.

LEASING

We will help you find the ideal home that best suits you and your family's needs. We firmly believe in building good relationships with everyone we work with to deliver better solutions.

FACILITIES MANAGEMENT

We play an essential role in taking care of our properties and collaborating with many real estate developers in the country. Our qualified staff holds extensive experiences, committed to setting the highest standards in all matters relating to health, safety, security and environment.
