

A full-page background image featuring a sunset over a body of water. The sun is a bright, glowing orb in the upper center, partially obscured by soft, orange and yellow clouds. The water in the foreground is dark blue with intricate, concentric ripples that catch the light, creating a shimmering effect. The overall mood is serene and elegant.

Mill Hill is a distinguished property developer with an impressive 20-year track record in both the UK and UAE markets. Their portfolio includes a diverse array of high-profile projects, from 5-star hotels in Central London to expansive apartment developments in Birmingham, as well as opulent villas on Palm Jumeirah. With deep-rooted business connections in the UAE, Mill Hill benefits from collaborations with some of the most innovative design studios and architects, ensuring each project embodies excellence and sophistication. As they embark on new ventures, their flagship project, Allegro, promises to set new benchmarks in luxury living on Dubai Islands.

Xclusive Yachts, Mill Hill's esteemed sister company, is excited to enhance the Allegro experience for all purchasers by offering a complimentary year's Yacht Club subscription. This exclusive membership provides access to unparalleled yachting experiences and services, enriching the luxury lifestyle associated with Allegro. As a leader in the yachting industry, Xclusive Yachts is committed to delivering excellence and innovation, ensuring that every moment spent on the water is nothing short of extraordinary.

McCone Properties is an award-winning, Dubai-based real estate advisory firm with over 12 years of experience in the market. The company offers a comprehensive suite of professional services to key real estate stakeholders, including developer advisory, offering developers a complete turnkey solution throughout the property development lifecycle and seamlessly guiding investors through the purchasing process.

A full-page background image showing a bright sun low on the horizon, casting a warm orange and yellow glow. The sun's light reflects on the surface of the water, which is covered in gentle, concentric ripples. The water's surface is a mix of deep blues and greens, with the golden light of the sunset creating shimmering patterns.
