AMAZONIA

Amazonia is more than just a residential complex — it is a masterpiece of modern living. From the moment you step into our meticulously designed apartments, you will be captivated by the seamless blend of luxury, innovation, and convenience.

This prestigious address at Dubai Wharf offers the perfect fusion of smart technology and opulent living, ensuring an unparalleled lifestyle.

A Timeless Living Experience at the Waterfront in Al Jaddaf

Inspired by the way the Dubai Creek evokes the vastness of the Amazon River, this 12-storey building rises amidst lush greenery, as if slowly reclaimed by nature. With thick vines and moss gently overtaking its form, the building feels like a forgotten relic, surrounded by vibrant life. A stunning waterfall cascades from the 12th floor, adding a natural touch to the modern luxury of the flats inside. These unique spaces invite you to live within a harmonious blend of architecture and nature, offering a rare lifestyle at the waterfront in Al Jaddaf.

the LOCATION

Our project is strategically located in Dubai Wharf, also known as Jaddaf Waterfront, offering seamless connectivity to key destinations such as Dubai Creek, Dubai International Airport, Downtown Dubai, and Healthcare City. Additionally, it is within walking distance of the Jaddaf Metro Station and near the upcoming Etihad Rail Station, which will connect Abu Dhabi and Dubai via a high-speed passenger train.

Positioned in the heart of Dubai, our development ensures effortless access to the city's most iconic landmarks, all **within a 10-minute radius**.

about AL JADDAF WATERFRONT

Jaddaf Waterfront is a medium-density, mixed-use neighborhood featuring a blend of residential apartments, retail spaces, public facilities, hotels, and parks. Developed by Dubai Properties, this freehold community is strategically located parallel to the iconic Dubai Creek. Envisioned to uphold the highest standards of sustainability, Jaddaf Waterfront aims to set an inspiring example for the future of urban development in Dubai.
