THE ENERGY OF DUBAI AND THE ESSENCE OF THE SEA

Dubai *Islands*

An aerial photograph of the Dubai Islands, showing a large, irregularly shaped island with a complex coastline. The island is densely packed with greenery, including palm trees and other tropical vegetation. Numerous small, white, modern buildings are scattered throughout the landscape, interspersed with the greenery. The island is surrounded by deep blue water, and the sky above is filled with soft, white clouds. The overall scene conveys a sense of a luxurious, eco-friendly coastal development.

Dubai Islands is a place from
which you can view and sense
the timeless influences that have
created this surrounding setting.

A real bridge to the *future*

Embrace convenient access as you journey home to your luxury lifestyle with the unveiling of the Dubai Islands new access bridge. Spanning 1,425 meters across, Dubai Islands residents will benefit from direct entry and exit points on the Bur Dubai side of the city connecting directly to the Islands over the Dubai Creek.

The background of the page is an aerial photograph of a tropical beach. The water is a vibrant turquoise, transitioning to a lighter, sandy-colored shallow area near the shore. The beach itself is a pale, sandy expanse. A circular inset on the left side of the image shows a close-up of a green palm frond with its characteristic feathery structure. The overall composition is clean and modern, with a focus on natural beauty and a tropical atmosphere.

Listen to the sound of *the waves*

Located on expansive villas of 622 to 750 sqm, our Waterfront Villas redefine opulence. With 5 bedrooms and a front-row location along the prestigious shorefront promenade, each villa is a testament to luxury living. Spectacular waterfront views paint the backdrop for this private residence, complemented by lush and parking.

Waterfront Villa *Type A*

FIVE BEDROOM

The design of our waterfront villas embodies a pure panoramic architecture, where the design is all about capturing stunning water and skyline views. Each villa along the shoreline boasts a unique character, harmonizing with the natural environment of Dubai Islands. Situated on the seashore, the design vision extends to be surrounded by lush vegetation—providing a sense of luxury privacy in the bustling city.

Experience open living spaces shaded by a pure frame that maximizes waterfront views on both levels. The waterfront side features a light frame extending over living spaces, providing shade to the ground floor terrace while expanding the living space towards the view. It also separates first-floor rooms, offering waterfront and city views. On the street side, the first floor extends over the garage, integrating an entrance courtyard and a screened upper-level bedroom and family lounge with an open terrace. Welcome to a place where architectural brilliance meets waterfront living in the heart of Dubai Islands.
