ARCHITECTURE COLOR PALETTE

The ever-shifting patterns that are created by the constant ebb and flow of water have inspired a design path that exists within every aspect of Cala Del Mar.

An intimate and exclusive lifestyle awaits

A person wearing a long, white, flowing dress with tassels at the hem is walking barefoot on a sandy beach. The background shows the ocean with gentle waves and a bright sunset or sunrise, with the sun low on the horizon and its light reflecting on the water and sand. The overall mood is peaceful and serene.

A HOUSE, A HOME

Typically, a home starts as a mere shell, waiting for personal touches to bring it to life. However, at Cala Del Mar, residents experience the exceptional from the moment they step inside, with unique features that foster an instant connection to their new home, even before unpacking.

A spectacular space

The fundamental inspiration for the entire Cala Del Mar development was to create a private area where you can truly feel at home. The living spaces feature universally appealing elements, such as large, open rooms with floor-to-ceiling windows that capture the unique daylight before revealing the awesome spectacle of a starlit sky.
