WE LAUNCH WE DELIVER

We firmly believe that Danube's success as a developer is derived from our project delivery and quality construction. Hence, as a responsible property developer, we are always committed to delivering our promises.

Backed by our strong finance in building materials, all the sites of our existing projects are moving closer to completion and progressing every day. Our goal is to deliver what we promised and see that smile on your face while you hold the keys to your dream home.

We want to walk hand in hand with you and hence we provide live updates of the projects underway. All you have to do is, visit our website or scan the QR codes on the adjacent page and real updates delivered to you right away!

An aerial photograph of Jumeirah Village Circle in Dubai, showing a circular residential development with multiple high-rise apartment buildings arranged in a ring around a central green space. The surrounding area includes other urban developments, roads, and distant city skyline.

WHY JUMEIRAH VILLAGE CIRCLE?

Jumeirah Village Circle is one of Dubai's most popular communities. JVC provides many home options, competitive prices and a vibrant living experience. This family-oriented community presents many advantages to residents, including a convenient location, access to a variety of entertainment options and a plethora of sports facilities, among other amenities.

Here are 6 reasons why JVC should be your first choice when choosing your next home in Dubai:

1. JVC is a family-oriented community

Jumeirah Village Circle is a beautifully designed residential community that provides a vibrant living experience for families of all ages, and especially those with school children. JVC not only provides a wide variety of different-size apartments, but it also provides spacious outdoor areas and gardens, and facilities and amenities for the whole family to enjoy. In addition, the community is home to many prestigious schools, nurseries and day cares.

2. Prime location

Jumeirah Village Circle enjoys a prime location with easy access to several areas of interest in Dubai, and is a short distance from Downtown, the Marina, Internet City, and more. JVC's central location makes it the ideal spot for residents working in all parts of the emirate, who can easily commute to and from the community.

3. Flexible and easy transportation

The roads in JVC are directly connected to the main network feeding the city, including Al Khail Street and Sheikh Mohammed bin Zayed Road. Jumeirah Village Circle is located to the north of the intersection of these two highways, providing residents with smooth and easy access to Dubai's hottest spots.

4. Freehold community

Jumeirah Village Circle is a freehold community, which means anyone can own a property including expatriates.

5. Natural Ambience that keeps you close to nature

Jumeirah Village Circle contains vast green areas and many gardens. It also boasts almost 30 parks, providing children with a space to play and adults a place to walk and enjoy the beautiful surroundings.

6. Proximity to key points around Dubai

JVC Dubai is only a few minutes away from the Dubai Miracle Garden, one of the most popular outdoor destinations in Dubai. It is also within close proximity to the Mall of the Emirates, Al Barsha area, Dubai Marina, Internet City and JLT, providing easy access to plenty of restaurant choices, shopping malls and other entertainment sites.

Elitz

BY **DANUBE**

Elitz by Danube is located at a prime district in the well-developed community of JVC and is set to be an architectural landmark in the area.
