

ELTIERA

VIEWS 2

PROJECT BRIEF

A CANVAS FOR LIVING

Eltiera Views is the natural evolution of Eltiera Heights, a refined continuation that deepens the connection between design, lifestyle, and the serenity of its setting. Conceived as a residence for every version of you, it offers spaces that adapt to your rhythm, whether you seek stillness, movement, connection, or retreat. From vibrant social moments to quiet rituals, every detail is thoughtfully attuned to the many sides of modern living. The residential development is shaped by its surroundings, drawing its form and feeling from the tranquil lake, the sculpted greens, and the distant waters of Jumeirah Islands. Here, the architecture doesn't just frame the view, it flows from it.

A man is sitting on a modern, light-colored sofa in a high-rise apartment. He is looking out of a large window at a vast cityscape and a winding artificial lake. The room is dimly lit, with warm light coming from the window. The floor is highly reflective, showing the man and the furniture. The view outside is a mix of urban development and green spaces, with a bridge visible in the distance.

JUMEIRAH ISLANDS, DUBAI-UAE

Nestled east of Sheikh Zayed Road, between interchanges 5 and 6, Jumeirah Islands is more than a neighborhood, it's a lifestyle enclave with one of the most unique land-to-water ratios in the world. Surrounded by shimmering artificial lakes, the community enjoys a rare 2:1 land-to-water ratio, making it one of the most tranquil, exclusive residential settings in Dubai. Positioned amidst Jumeirah Lakes Towers, The Meadows, and Jumeirah Park, the location strikes a powerful balance: secluded but connected, residential yet commercially dynamic.

STRATEGICALLY CONNECTED

Situated at the southern edge of Jumeirah Lakes Towers and just minutes from Dubai Marina, Emirates Golf Club, and Ibn Battuta Mall, the community offers seamless access to both lifestyle and business hubs, placing you at the intersection of convenience and connectivity.

Lifestyle integration

Laced with running tracks, landscaped parks, sports courts, and serene lakeside paths, the neighborhood makes wellness a natural part of everyday life. It's a setting that fosters clarity, calm, and effortless living, where lifestyle and productivity exist in perfect harmony.

Retail & everyday convenience

From International schools to curated retail at Jumeirah Islands Pavilions, every necessity is thoughtfully within reach. Adjacent community centers such as Meadows Town Centre and the JLT retail promenade further enrich the day-to-day experience with dining, shopping, and service offerings close to home.

A dramatic, low-key photograph of a modern architectural interior. The scene is characterized by sharp, angular geometric forms and a warm, golden-brown color palette. Light enters from a high, narrow opening at the top, creating a strong beam of light that illuminates the surrounding surfaces. In the lower-left foreground, a small, rectangular light fixture is embedded in a dark surface, casting a soft glow. The overall atmosphere is one of sophisticated, minimalist design.
