Radiant - A Legacy of Excellence

Radiant Real Estate, headquartered in Abu Dhabi, redefines urban landscapes through innovative, sustainable design. We create transformative mixed-use developments that unite luxury, functionality, and community living. Each project reflects our passion for inspiring spaces that elevate lifestyles and set new standards in modern living.

City of Lights at Al Reem Island

Al Reem Island is Abu Dhabi's modern waterfront canvas, where nature meets skyline. With parks, canals, top education, healthcare, retail, and culture, it offers families and professionals a balanced life—minutes from the city, yet surrounded by calm.

Waterfront City, Artfully Placed

Radical Arrium is in the City of Lights, Al Reem Island's vibrant district where waters, streets, and modern design meet. Its Al Reem Street address offers direct access to Abu Dhabi's business core, while retail, education, healthcare, and leisure are all within walking distance—balancing connectivity with serene waterfront living.

Radiant Atrium
Live. Work. Thrive.

Where Work Meets Living
& Light Shapes Life

Radiant Atrium is a landmark mixed-use development that brings together living, working, and leisure in perfect harmony. Rising in the vibrant City of Lights on Al Reem Island, this dual-tower destination redefines urban life with Atrium Residence and Atrium Offices, seamlessly connected by a shared podium of retail and amenities.

Living Elevated
Elegance. Efficiency. Experience.

Balancing elegance with efficiency, Radiant Atrium offers **211 residences across 20 floors in Atrium Residence, 131 Grade-A office units across 24 floors in Atrium Offices**, and a curated ground-level retail experience for community convenience. With canal views to the north and city views to the south, Atrium is not just a development — it is a centerpiece of modern island living.

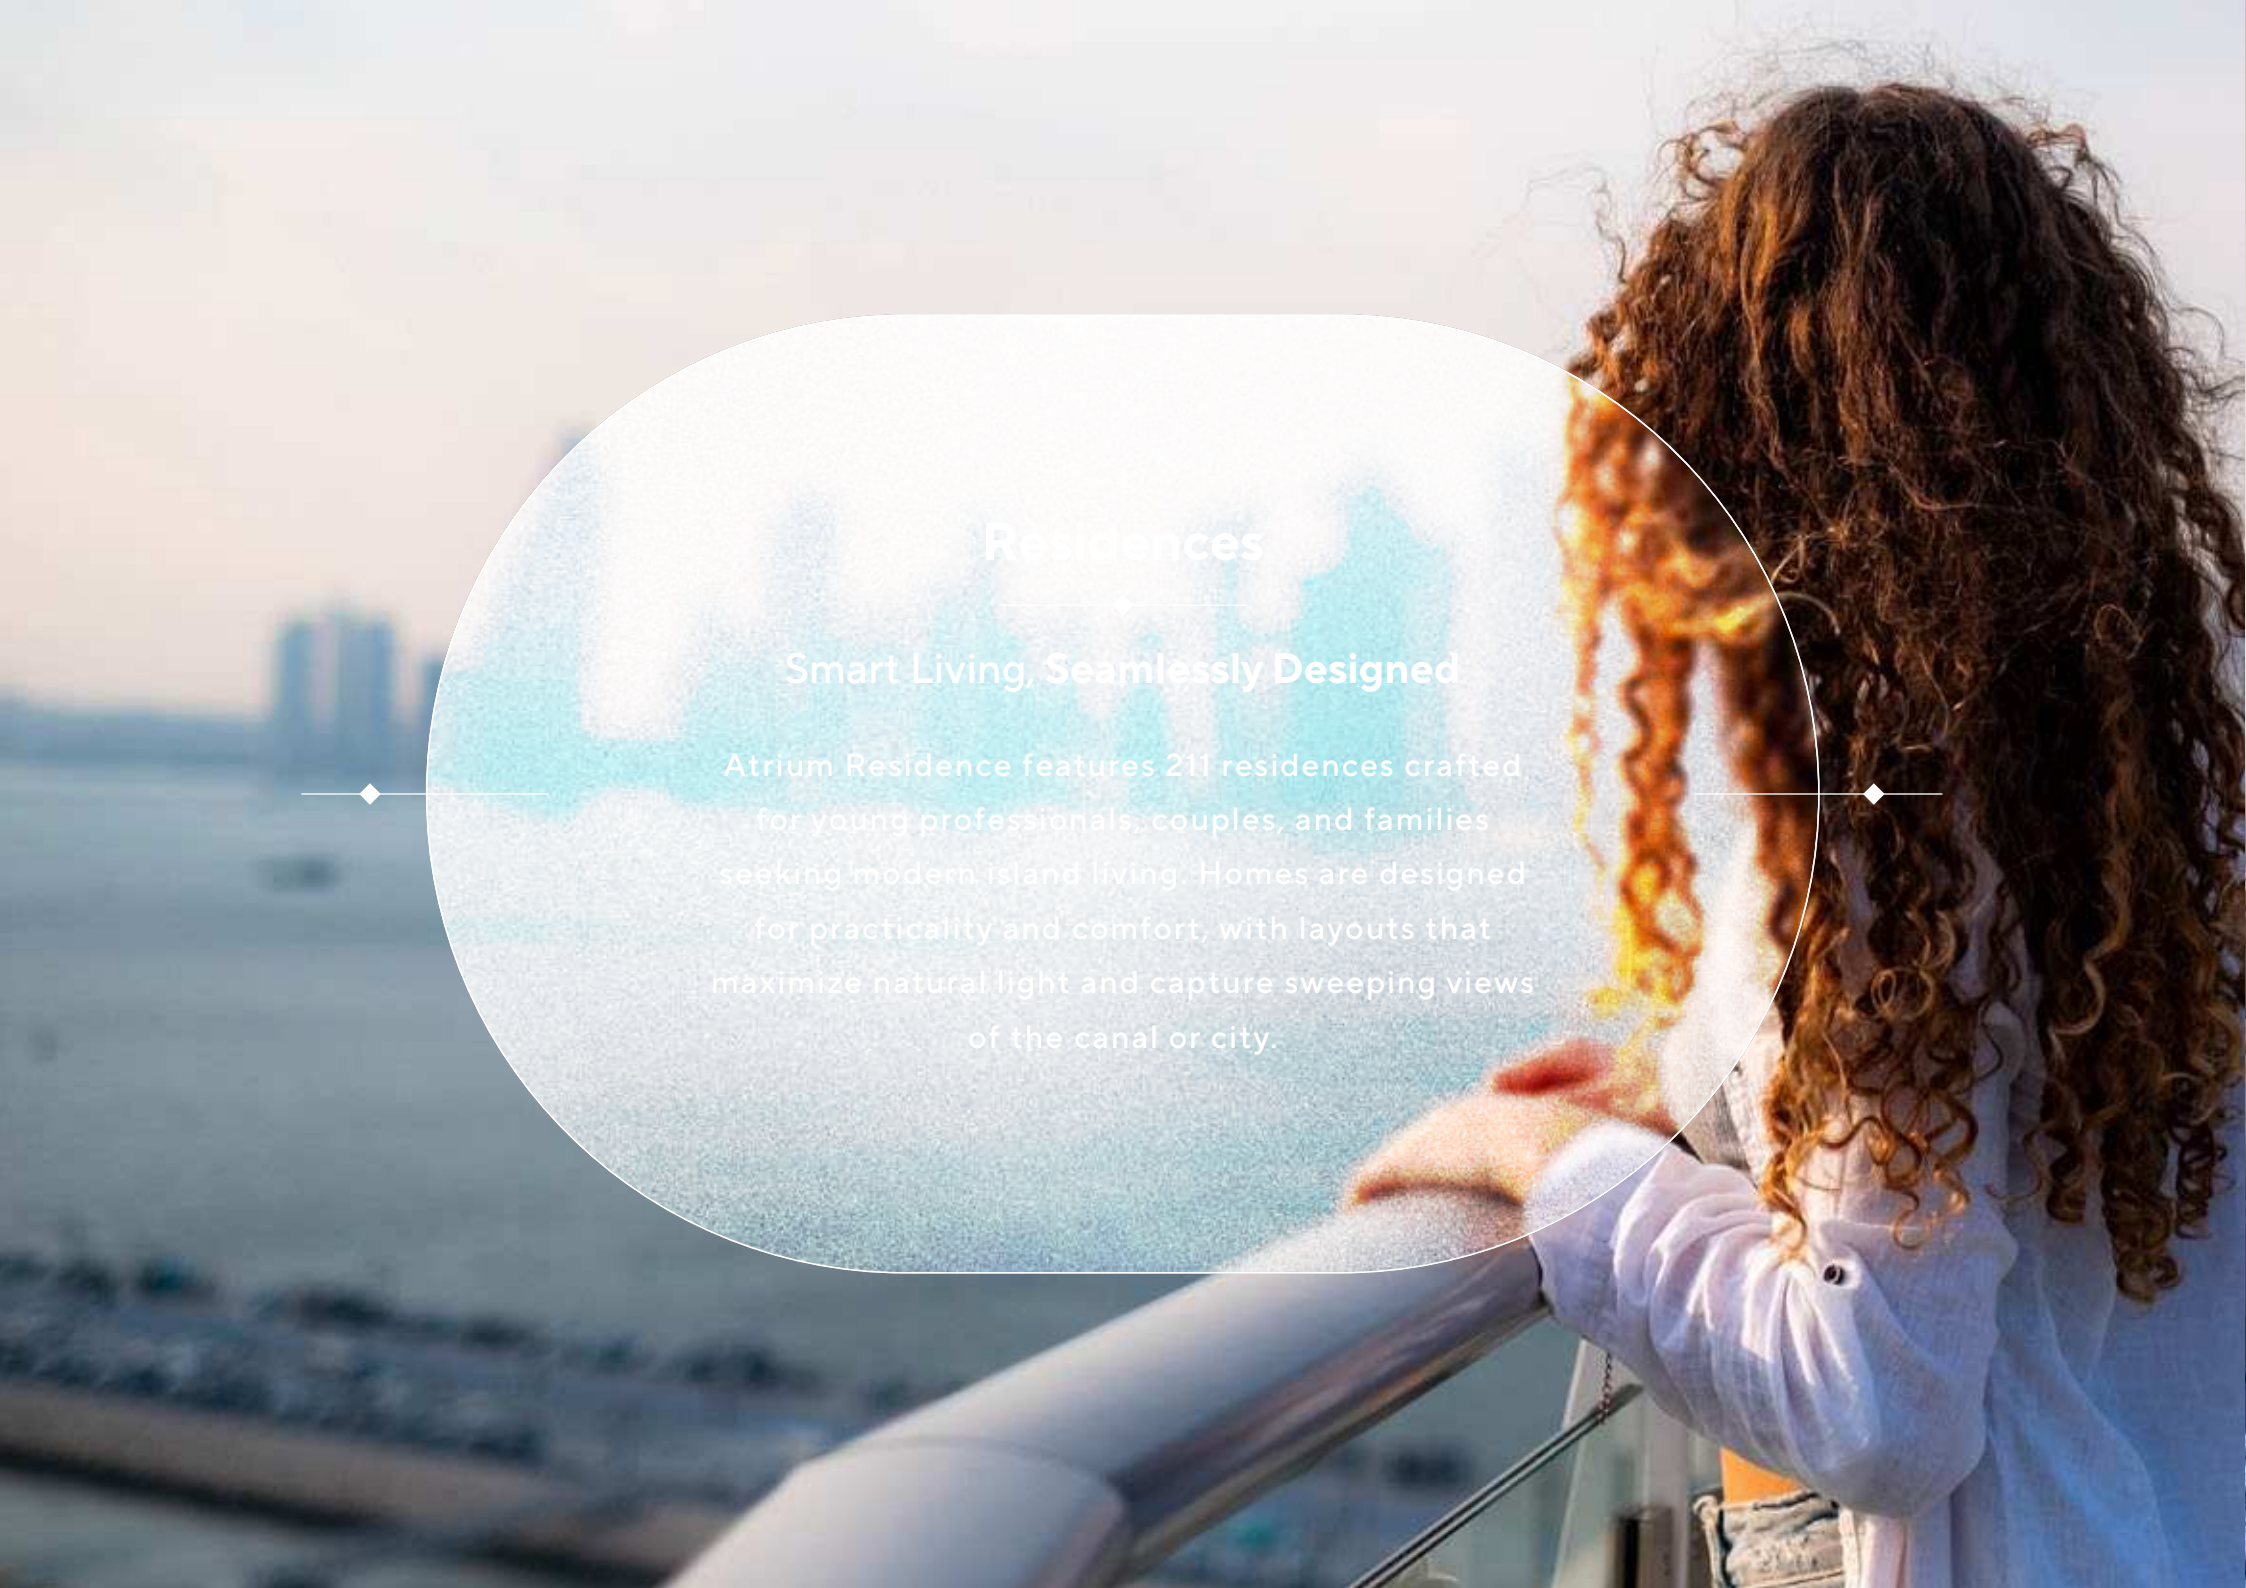

As part of Radiant Real Estate's signature portfolio, Atrium reflects our vision to create spaces that are dynamic, sustainable, and deeply connected to Abu Dhabi's future.
