KIDS PLAY AREA

A wide-angle photograph of a modern park at dusk. In the foreground, a woman in a grey long-sleeved shirt and black leggings is jogging on a red rubberized track that curves from the bottom right towards the center. To her left is a lush green lawn where several other people are engaged in activities: a man is bending over, a young girl is standing, and a group of people is further back. The park is filled with diverse vegetation, including large trees with green leaves and clusters of bright pink flowers. In the background, modern multi-story buildings are visible under a sky with soft, colorful clouds from the setting or rising sun. The overall atmosphere is peaceful and active.
