A modern two-story house with large glass windows and a balcony, situated in a lush garden with palm trees and a playground. The house features a minimalist design with light-colored walls and dark window frames. A woman and a man are sitting on a small patio area outside the house. In the foreground, two children are playing on a grassy lawn. A wooden swing set is visible in the background, and a tall palm tree stands prominently next to the house. The sky is blue with some clouds, and the overall atmosphere is bright and sunny.
